THE TEN COMMANDMENTS OF THE GOURMET

1. *You shall select carefully the eating place and the food.*
2. *You shall not guzzle your wine. Only water can be swallowed thoughtlessly. The wine should be carefully tasted and selected for the type of food ordered.*
3. *You shall not accept banality from waiters.*
4. *You shall not smoke until dessert.*
5. *You shall not stuff yourself with bread.*
6. *You shall be courteous when asking for service.*
7. *You shall not order the unobtainable.*
8. *You shall not ask for food to be reheated.*
9. *You will accept that not all food may be palatable to you. Remember, we all have different taste buds.*
10. *You shall remember that the table is sacred. There, the joy of the palate and the company of friends should be the first and last aim.*
